Late Models, Street Stocks, Bombers and Modified Practice Days

Roseville, CA – March 4, 2010 – Miss the smell of burning rubber and the roar of racing engines around a .333-mile race track? Get rid of your winter blahs at an All American Speedway play day surrounded by Late Models, Street Stocks, Bombers and Modifieds. It is the perfect way to start the new racing season.

Bring the entire family out for a day of fresh air and fun while checking out the racers of the upcoming season as they check out their cars. Watch the times sessions for all divisions as the drivers test and tune these fine racing machines.

Late Model driver Ron Chunn is excited to get back to racing. "What I'm looking forward to is running some good fast times right off the trailer," Chunn said. "We have very high expectations this year and I am looking forward to racing with what I think is the best competition in California."

Eric Ray, who drives the No. 77 Bomber car is looking forward to the play days. "I'm looking forward to getting back behind the wheel," Ray said.
