

**** ALL AMERICAN SPEEDWAY PRESS RELEASE ****
*******Fourth of July Armed Forces Night*******

For Immediate Release 063009

Saturday, July 4th, The All American Speedway in Roseville celebrates our Country's Independence with Armed Forces Day and a Fireworks Spectacular!

This Saturday night, we honor the brave men and woman who serve our country so well by admitting all uniformed soldiers absolutely free!

As part of the celebration, The Speedway (Placer County Fair) has teamed up with the City of Roseville and Sierra View Country Club to make this one of the best Fireworks Extravaganzas in the history of Roseville.

Director of Speedway Operations Dennis Gage says "In the past we sat out on the 4th so the Fireworks could be held on the Fairgrounds. This year the agreement allows us to race, and the City and Sierra View have combined for a bigger and better Fireworks show. The good news is the Country Club is directly across the street from the Fairgrounds so you will get a perfect view of the display from our Grandstands." Pyrotechnics are estimated at 9:15pm.

And the racing? Championship Week Number Ten rolls into AAS. NASCAR eyes are on Jason Romero (#8) who leads all drivers in the Late Model Division and is ranked second in the State of California. However, his lead is just thirty-one over BMR's Juan Pitta (#16). Pitta won his first race of the season two weeks ago. The featured Main Event will be the Toyota TRD 100.

Also on the schedule will be our three other Premiere Division, the Modifieds, Street Stocks, Bombers, and NCMA Sprint Cars.. Five Divisions are running, so the racing will be fast and furious.

Pit Gates will open at 1pm, Fan Gates will open at 4pm, with qualifying scheduled for 5pm. Racing begins at 6pm.

Ticket prices are as follows:

Adults.....\$13.00 Ages 16-59

Seniors (60 or better).....\$7

Juniors (6-15).....\$7

Children (under 6).....Free

Family Pass - \$35.00
