All American Speedway Champions to be Crowned This Saturday, September 17th

Source RMG Race Media Group

This Saturday, September 17th marks the 2011 NASCAR Whelen All American Series Championship finale at All American Speedway. The Speedway will be presenting NASCAR Late Models 100, Modifieds 40, Street Stocks and Bombers 35 laps. Featuring of the night will be the band Ron Pestana and the Pit Crew playing live in the grandstands adding an extra entertainment to the racing excitement. With Saturday expecting fall like temperature in the mid 80's, the points chase will come down to the wire with this last race as championship drivers will be collecting their championship titles.

In the Street Stock division, Mickey Owens continues to hold the points lead over the field with a 28 point advantage over second place Richard Poppert Jr. Sitting quietly in third is Byron Gonzales with just 57 points from second. Dave Silva sits fourth as Mel Wilson barely holds onto fifth. With the last race approaching for the division, and if Mickey Owens continues to provide his consistent solid results, he will run with the 2011 championship.

The Late Models took a break the previous weekend and will be returning this Saturday for their last race. At the last race Matt Scott locked in the 2011 championship and will be running this weekend to further his points lead over Jason Romero in second. Romero sits just 42 points from Scott which cannot be made up in just one race left. Juan Pitta sits third with both Chris Scribner fourth and Rookie Dylan Hutchison fifth knocking on Pitta's door. As the division winds down to the finale, the third spot is still up for grabs.

The unstoppable Dan Jinkerson has had a good run for points this year and clinched the championship title at the last race. Canadian driver Steve Cote sits in second however Jason Bamberg in third is chasing Cote down with just 33 points from second. Rookie Bobby Runyan is the new holder of fourth as Andy Field missed the twin 50s sending Andy to fifth.

Eight time Bomber feature winner, Chris Paulson locked in his 2011 championship after the wild night on August 6th when two drivers in second and third in points were placed on probation, losing all competition points leading up to the event. This allowed Richard Perez to step into the second position however Joe Rhodes, in third, is only eight points from second. Eric Bocksberger fourth is also in the mix for second. Even though the championship is already crowned all the action is happening in second to fourth.

Pit Gates and Registration opens at noon with practice starting at 2 pm. The Grandstands open at 4pm with qualifying set for 4pm and green flag racing at 6pm. Ticket prices for the evening will be as follows:

Adults (16-59) \$13

Seniors (60+), Juniors (6-15) \$7

Kids 6 & Under FREE

Family Pass (2 Adults, 3 Jrs) \$35
