Granite Bay's John Moore (#27), in his AT&T Yellowpages.com Chevy, won the 50 Lap Feature for the Late Models last Saturday night, April 27<sup>th</sup> at The All American Speedway in Roseville.

Fifteen cars took the Green Flag with Ione's Greg Hock (#777) on the pole and Mikey Lehman flanked on his outside. Orangevale's Gary Glenn (#50) and Roseville's Zane Lovelace Jr. (#46) started from Row 2. Moore started 7<sup>th</sup>.

Hock led early until Glenn made the pass for the lead on Lap 6. Glenn would lead the race until a mechanical failure on Lap 33 took him out. Lovelace inherited the lead and looked strong.

Moore masterfully worked his way through the filed taking opportunities as the came. When the chance came to take the lead, Moore took it on Lap 47 getting by Lovelace. That's how this one would finish. Moore takes the checkers for his first win of the season. Lovelace would settle for second in one of his strongest runs of the season so far. Elk Grove's Ron Chunn (#44) had his best finish coming home third. Hock would cross fourth. Jonathon Mawhinney (#17) rounded out the top five.
