

****ALL AMERICAN SPEEDWAY PRESS RELEASE****

Placer County Fair Racing Events!

Roseville, Ca- When the Placer County Fair comes to the Fairgrounds June 25th-28th, All American Speedway fans will be treated to not just one, but two exciting days of racing!

On Saturday, June 27th, the THUNDER of USAC Sprint cars returns to the .333 mile oval of the Speedway. These winged rocket ships are the fastest things on four wheels and have been clocked at over 101mph on our backstretch just before they dive into Turn 3. Lincoln's own Tony Hunt, along with the talented Swanson brothers, will tear it up once again as they battle the high banks and bump strips of the All American Speedway. Also on Saturday's schedule will be the Ford Focus'.

Then on Sunday, June 28th, it's the soapy, sudsy, return of Enduro racing! We'll turn on the water spouts all around the track and then bring on the Soap Truck! When things are good and slippery, the crowd will count down the drivers and send them on their way for 100 laps of crash 'em up, smash 'em up racing! At the end of the first 100 laps, we'll take a quick break and do it all over again, sending them 100 laps in the other direction!

Police cars with lights and sirens blaring and all types of hysterically decorated cars, this is great family fun for kids of all ages! One thousand dollars is on the line! Don't miss a single minute of this soapy goodness! Fan gates will open at 5pm and racing will begin at 6pm both days.
