

LIMITED MODIFIEDS AND SUPER STOCK A'S UTILIZING 602 CRATE ENGINE:

As the schedule is limited this year AAS tech staff will tech all open (non sealed GM) 602 crate engines to save you time and money. They will tech cubic inch displacement, compression ratio, and cam lift. Please have two (2) each manifold, two (2) timing chain bolts, and two oil pan bolt heads drilled (side by side) for AAS to seal engine.

SAVE TIME AT THE TRACK WITH PRE TECH:
