

2020 SOCIAL DISTANCING PRACTICE POLICY

COVID-19 Protocol

Per Industry Guidance from the California Department of Public Health

In response to current social distancing requirements, the following All American Speedway event policy is in effect immediately and will remain in effect until such time as social distancing is no longer a requirement per city, county, and/or state authorities.

BMRP and All American Speedway reserve the right to alter, change or update this policy at any time.

A minimum of 6 feet of social distance from others is required at all times while on All American Speedway Property.

- Scheduled Event Participants may include race car driver and crew with a maximum of 6 team members per entry.
- No Pit Passes will be sold to non-event participants.
- No more than 50% of pit capacity will be used for any event. Trucks, trailers and cars will be assigned to pit stalls with a minimum of 12 feet between each team.
- The temperature of all event participants will be taken prior to pit sign in and entry. Anyone exhibiting cold or flu symptoms or with a fever of greater than 100°F will not be allowed entry to the pits.
- All event participants must wear a mask at all times when within 6 feet of another person.
- Grandstand main entry restrooms may be available for event participant use, with access to grandstand public seating blocked, monitored and enforced.
- Turn one and Turn two grandstand seating may be used to allow for adequate social distancing for event participant race observation, with mask requirement and 6-foot social distancing monitored and enforced. No public access or non-event participant seating is allowed.
- Event participants must remain within their assigned pit stall area until released to enter track area.
- Event participants must maintain a 6-foot minimum distance from other participants at all times. BMRP and All American Speedway reserve the right to cancel a participant's track time if this rule is violated, with no refund of fees.
- Event participants will adhere to each event schedule as provided by BMRP and approved by @theGrounds.
- BMRP will coordinate and pay the hourly fee for an AMR on-site standby ambulance services while track is Green. Charges for any ambulance services required during or as a result of a scheduled event will be charged to the involved participants as incurred.
- BMRP will coordinate the delivery and pick up of portable restroom units.
- Handwashing sites will be supplied and recommended to use.
- Cars are required to operate under the All American Speedway general rules, including sound limits (90 dba at 50ft from outer perimeter of track). BMRP will monitor sound. Cars exceeding 87 dba will receive a warning. Cars exceeding 90 dba will be black flagged and will be allowed to make 2 repair attempts to correct excessive decibel output. Failure to correct output will result in the removal of the car from the scheduled event with no refund of fees.
