

Race / flag procedures

- Qualifying is 2 laps; 2nd time by Green, White, Checker. If you are unable to finish the 2nd lap you will not get another chance.
- Do not race to the yellow.
- Red flag; stop as soon and safe as possible.
- Black flag; exit the track immediately and report to an official. You will only be scored for 2 laps after receiving the black flag.
- Start of the race; the leader sets the pace.
- Leader chooses inside or out.
- Initial start; Do not pass until the start / finish line.
- Restarts; You may pass once the green flag is shown.
- 2 tries to get it right or front row moves back one.
- All cars involved in a yellow will go to the back.
- The first 2 yellow laps count. Over 50 laps, all yellow laps count.
- Main events; 1st car a lap down gets the lucky dog (unless involved).
- Main events; Last 10 laps we won't count yellows. Lap cars to the back.
- Race will be extended beyond advertised distance if the yellow is shown before the leader takes the white flag. One attempt of a Green, White, Checkered. Any other restarts will be Green/White together then the checkered.
